

Success comes from working together.

## Wrinkly Roadshow

Tuesday 17 July

6.10pm until 8.30pm ME15 6AW  
Business Terrace, Maidstone

Presenter Kelly Duke from Wrinkly Network will provide more information about getting older in today's society, for business people and others.

Wrinkly is an organisation that aims to join the dots with care for the elderly and vulnerable across Kent. They do this in many ways. They host events for the general public where they invite providers of services to community halls and events. They hold afternoon tea parties where people can get together and chat about what is going on. They organise networking events for everyone working in the elderly and vulnerable sector. These networking events are not just for carers and care homes but plumbers, electricians, accountants, clothing designers, therapists and anyone who wants to get to know other providers in their area. They want to make the lives of our elderly and vulnerable clients full of joy and laughter not isolation and loneliness.

Visitors are always welcome and the event is free (if you are a paid up member or a first time visitor), we have a sign in and badge system so you must reserve your seat. Open to everyone. **Something BRAND NEW!** Designed especially for businesses that do not have a website: you can now have a presence that enables you to have a searchable online website page without the need for the expense of a whole site. Go to "Give a hedgehog a home" on the Membership list page of our website. Click it and go to the one page to find out about giving a hedgehog a home. It could just as easily be a page to sell services on the topic you are providing. In time the search terms built into this page will help people looking to give a hedgehog a home. If you want to know more find out by calling 01622 820841 or emailing [doitall@maidstonebusinessnetworking.co.uk](mailto:doitall@maidstonebusinessnetworking.co.uk)
